### **VOORSKOOL / PRE-SCHOOL**

#### **ONS STREEF OM IN ELKE KIND SE BEHOEFTE TE VOORSIEN**

Die taalonderrig is gebaseer op 'n verskeidenheid temas wat weer die onderrig van konsepte en vaardighede met betrekking tot holistiese voorskoolse ontwikkeling insluit.

Benewens 'n "informele" leerbenadering in die baie vroeë stadiums, sluit die program musiek, drama, sang, poësie, kuns, handwerk en gekanaliseerde "leer deur spel"-mediums in.

Bevordering tot die hoofstroom van 'n skoolstelsel is afhanklik van 'n kind se taalvermoë, akademiese prestasie, ouderdom en volwassenheid.

#### **WE STRIVE TO ACCOMODATE THE NEEDS OF EVERY CHILD**

The language teaching is based on a variety of themes which in turn incorporate the teaching of concepts and skills pertaining to holistic pre-school development.

In addition to an "informal" learning approach in the very early stages, the programme includes music, drama, singing, poetry, art, craft and channelled "learning through play" mediums.

Promotion into the main stream of a schooling system is dependent upon a child's language ability, academic achievement, age and maturity.

### **REKENAARSENTRUM / COMPUTER CENTRE**

Primêre Skool Veldenvlei spog met twee volledig toegeruste rekenaarsentrums. Tans is daar 40 werkstasies in elke sentrum, almal gekoppel aan 'n netwerksisteem. ## EVALUATION

We evaluate learners from both the Senior and Junior Phase throughout the year. An exam is written every term in the Senior Phase. We emphasize the acquisition of skills and strive to present a holistic view of each child's academic performance.

Progress reports are given out every term in the Junior and Senior Primary Phase. These reports are followed by parent evenings during which you are able to discuss your child's progress with his /her educator.

At Veldenvlei Primary School we strive towards the developing of the child as a whole and not just as an academic learner. We strive towards a school as part of a system that consists of educational partnerships and networks. Our aim is to prepare the learner in such a way that he / she will be an asset to society and the environment.

## SCHOOL SONG

This is my song to our school, Veldenvlei  
Here where we learn to work and to pray.

Here's our aim so clear to us  
Persevere in faith and love.

We will be steadfast, firm and strong!

We will avoid to do things wrong!

Pure like the lilies that kiss our feet.

The symbol of our lives indeed.

Out on the Sportsfield and

Working at tasks.

Faith in yourself – and reach for the

Sky where the eagles fly –

Put your trust always in God.

Veldenvlei! Persevere in Faith!

Persevere! Persevere in Faith!

## SKOOLIED

Hier is 'n skool wat volhard in geloof

Hier is 'n vesting wat handhaaf en bou

Ons het 'n jeug wat die vaandel van eer

altyd wapperend hoog sal hou.

Ons het 'n leuse vas en sterk!

Hier is 'n skool wat wil wen en werk!

Rein soos die lelies wat hier bloei –

Ons lentejare hier opgroei.

Volhard op die Sportveld!

Volhard in die Klas!

Volhard in Geloof – en reik na die

kennis wat ons sal leer.

Om Land en Volk en God te eer.

Veldenvlei Primêre Skool!

Volhard! Volhard! Volhard!
